## Central Lutheran School Staffing for 2026-2027

CLS is looking to fill some staffing positions for the 26-27 school year. Mrs. Becky McKinney has announced her retirement. We are starting the search for a licensed early childhood teacher for next year. We would prefer a Synodically trained early childhood teacher, but as long as he/she has an Iowa teaching early childhood license that would be ok.

CLS is also looking for a part time Ag teacher. This teacher should have an Iowa teaching license as well as an Ag background. CLS is looking to continue our Ag/FFA chapter and need someone to teach the Ag curriculum we have as well as lead our school's FFA chapter.

CLS is also looking for a part time Physical Education (PE) teacher. This teacher should have an Iowa teaching license and be able to teach K-8th grade PE.

If you are interested, know of anyone that the school could ask, or need more information, please contact Mr. Parris at [principal@centrallutheranschool.org](mailto:principal@centrallutheranschool.org).

## News from CHRIST LUTHERAN HIGH SCHOOL

*Preparing Students to be Christian Leaders in all Walks of Life*

The CLHS Board of Directors has had a busy few months. In October we attended a six hour workshop led by a representative of the Lutheran Church-Missouri Synod's Church Extension agency. We learned about the type of Governance that will need to be established as we open CLHS. This rather long meeting has been followed up by one hour Zoom meetings to help us develop our plan and use the proper wording for policies, job descriptions, etc. We have been told more than once that starting a high school is a marathon, not a sprint. At the same time we continue to await approval from the IRS of our application for tax exempt status. Due to the government shut down this could still take months. This makes it challenging to do any major fund raising. We ask you to keep praying for Christ Lutheran High School. Want to know how you can get involved?
